AMENDMENT AFTER FINAL ACTION

Sir:

Pursuant to the Official Action dated February 09, 2007 and received in regard to the above-identified application, please enter the following remarks.

I. DOUBLE PATENTING REJECTION

All claims would be allowable but for a double patenting rejection in view of U.S. Patent No. 6,651,644.

The applicant herein provides a terminal disclaimer. The terminal disclaimer should eliminate the double patenting rejection. All pending claims are therefore believed to stand in condition for allowance.

II. SUMMARY

Having removed the stated cause of rejection, this application is believed to stand in condition for allowance. However, if the Examiner is of the opinion that such action cannot be taken, the Examiner is requested to call the applicant's attorney at (215) 321-6772 in order that any outstanding issues may be resolved without the necessity of issuing a further Office Action.

Respectfully Submitted,
